

THE GIRI

– WHITE –

“A White Spanish wine and globetrotter. A fresh wine, hassle-free for enjoying at any moment.”

GRAPES: Made using white grapes from Spain

HARVEST: Grapes harvested from several plots, harvested by hand and also using mechanical harvesters.

ELABORATION: Made following the traditional method of white winemaking. We proceed to destem the harvest before pressing.

FERMENTATION: It ferments at controlled temperature set at 14°C in stainless steel tanks of 25.000 liters of capacity, favoring the extraction of fruity aromas from the grapes for 15 days.

TASTING NOTES: This wine has a pale greenish yellow color, with bright nuances. Great aromatic intensity, fruity aromas with a balanced sweetness, lingering and with a nice structure. Ideal for rice, fishes and vegetables.
