

THE GIRI

– ROSÉ –

“A Rosé Spanish wine and adventurous. This refreshing wine is the ideal companion for those moments when we search for something different.”

GRAPES: Made using red grapes from Spain

HARVEST: Grapes harvested from several plots, harvested by hand and also using mechanical harvesters.

ELABORATION: Made following the traditional method of white winemaking. We proceed to destem the harvest before pressing.

FERMENTATION: It ferments at controlled temperature set at 16°C in stainless steel tanks of 25.000 liters of capacity, favoring the extraction of fruity aromas from the grapes for 14 days.

TASTING NOTES: Red cherry aromas, clean and bright. Medium-high of aromatic intensity with red fruits, it shows a balanced acidity on the palate and releases its youth vitality. Ideal for pairing with pâté and pasta.
